The FOUNDATION FOR PEACE is a 501(c)(3) not-for-profit organization founded in 2002 to work hand in hand with people in materially impoverished areas of the Dominican Republic, Haiti and Kenya.

We who live in abundance are called to promote peace and instill hope by sharing our time, our talents, and our resources with those who hunger, thirst and suffer from economic oppression and a lack of educational opportunity. Will you join us in our efforts to offer opportunities for others to rise from poverty?

**Clean Water for families in Kenya**

We are seeking funding to purchase water filters and anti-parasite medicine for families in Kenya. Only \$30 will provide health to a whole family.

**Sponsor a Student**

Many children cannot afford to go to school. Sponsorships provide tuition and educational materials. Donations of backpacks, composition notebooks, and books in Spanish and Creole are also needed.

**Feed the Hungry**

We want to provide food in each school we support. For just \$1 per day you can fill an empty stomach with food.

**Sewing machines**

Women earn a living, feed their children and pay school tuition, if they are trained to sew. For \$200, you can provide a machine and training to a mother.

**Latrines and Healthcare**

Many infectious illnesses can be prevented through the provision of latrines and health education. We are seeking funding to expand our work in this area.
