## Student Sponsorship Programs

**2011 - 2012**

## Children in the Dominican Republic and Haiti need **YOUR** help to get an education!

In some areas, there are public schools, but many are too distant or too full. There are expensive private schools. Young children are often left home alone by parents seeking work. We are meeting the needs of children in these areas by partnering with communities to build schools.

The **Dominikids and Haitikids Sponsorship programs** fund tuition for teacher salaries, as well as other necessities, to keep these schools open in impoverished areas.

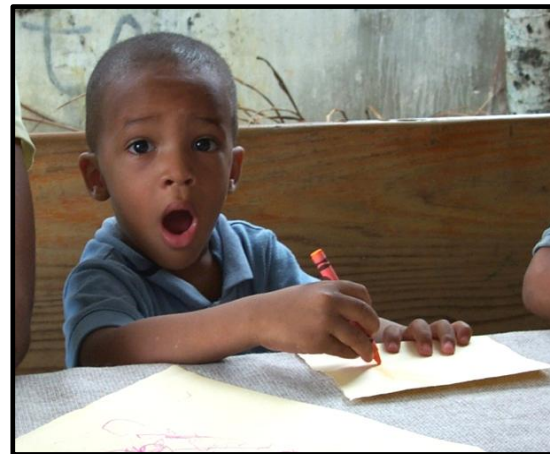

**Advance Education** program makes the dream of a **High School and College Education** possible. Sponsors provide tuition assistance to college students who usually work and attend school part-time. These students strive for goals, which are only achievable with the help of sponsors like you.

**Your gift is tax-deductible!**

The FOUNDATION FOR PEACE is a 501(c)(3) not-for-profit organization founded in 2002 to work hand in hand with people in materially impoverished areas of the Dominican Republic, Haiti and Kenya. We who live in abundance are called to promote peace and instill hope by sharing our time, our talents, and our resources with those who hunger, thirst and suffer from economic oppression and a lack of educational opportunity.
